Professional Experience

UI Developer / Frontend Developer

Satvam Softwares Private Limited

Bengaluru, Karnataka

August 2021 – Present

- Transformed 20+ design mockups from Figma, Adobe XD, and Photoshop into pixel-perfect, production-ready user interfaces with 100% design fidelity
- Constructed responsive, mobile-first web interfaces using HTML5, CSS3, JavaScript, and React.js, ensuring seamless experiences across all devices
- Created reusable component libraries and UI patterns that enhanced development efficiency and maintained design consistency across multiple projects
- Collaborated closely with designers and UX team to execute interactive prototypes, animations, and micro-interactions that enhanced user engagement
- Conducted comprehensive cross-browser testing to ensure consistent rendering and functionality across all platforms
- Optimized UI performance and loading times through lazy loading, image optimization, and CSS/JS minification, achieving 90+ Google PageSpeed scores

UI Development Projects

ShopMart E-commerce Interface — React.js, Tailwind CSS, Component-based Design

- Designed and produced modern e-commerce UI using React.js component architecture with focus on reusability and maintainability
- Engineered responsive product catalog with card-based layouts, dynamic filtering interface, and smooth animations using Tailwind CSS utility classes
- Built interactive shopping cart component with real-time updates, quantity controls, and checkout flow with intuitive UX patterns and visual feedback

Proventis Corporate Website — WordPress, Custom CSS, Responsive Design

- Translated Adobe XD designs into custom WordPress theme with pixel-perfect accuracy, maintaining design integrity across all pages and templates
- Implemented custom CSS animations, hover effects, and interactive elements to enhance visual appeal and user engagement throughout the entire site

Bonafinca Real Estate Platform — TYPO3, JavaScript, Advanced Filtering UI

- Delivered complex filtering interface with multi-parameter search, dropdown menus, range sliders, and checkbox groups for enhanced property discovery
- Constructed responsive property listing cards with image galleries and multilingual UI

Certifications

Meta Frontend Developer Professional Certificate

Meta - Coursera

Completed comprehensive training in React.js component development, modern JavaScript (ES6+), responsive design principles, UX/UI best practices, and accessibility standards.

Education

MVJ College of Engineering, Bengaluru

Bachelor of Engineering in Mechanical Engineering

CGPA: 7.8/10.0

2018 – 2021
